Here is my lit review from class: In the introduction of Redesigning the American Dream: The Future of Housing, Work, and Family Life Hayden describes divergent approaches to town planning that have stemmed out of various historical processes and moments. Hayden begins with a comparison of Vanport City, a World War Two era town built for women who had entered the workforce, and Levittown, the ...

Redesigning the American Dream: The Future of Housing ...

This is a beautifully written, well-researched book that explores the relationship between gender roles, housing forms and urban development, showing how the public/private divide was manufactured and maintained. A must-read for geographers, planners, urban designers and policy makers.
