Used Renault Grand Espace The Renault Grand Espace made its debut in 1998 when the third generation of the shorter wheelbase model was only a year old. The Grand Espace has all the benefits of its smaller sibling, which is considered King of the people carriers, but, this model gives you a longer body which results in a slightly bigger boot and a bit more room for passengers to sprawl out in.

Approved Used Renault Grand Espace for Sale in UK / RAC Cars

A spacious and competent large MPV, the Renault Espace was, when it was first released early in the 2000s, one of the biggest and most practical cars available.

Since then there have been a number of similarly sized rivals, but the Espace - despite no longer being in production - remains at the very top end of the scale.
