A restatement of the law is designed to give a complete picture of the rules guiding a given area of the legal system. Within common law systems, such as the United States and the United Kingdom, laws come from several different sources. Laws can be made by legislatures, if formal bills or statutes are passed. Laws also come from constitutions.

Most statutes require suit to be brought within a specified time after the death or after the appointment of a representative. Unlike the ordinary statutes of limitations, these time-limits are usually held to go to the nature and extent of the right and not merely to the remedy. (See Restatement, Second, Conflict of Laws, § 143).
