problems you're working on - just go to the chapter for your  
book.

Risk Management And Insurance 2nd Edition Textbook ...  
Insurance is just one component of a strong risk  
management program. While insurance can protect your  
assets in the event of a loss, it does not reduce the likelihood  
of the loss itself. The impact of a properly installed risk  
management system is significant, and has been statistically  
proven to help in the reduction of claims and therefore ...
