When I started learning Russian, I had never even heard of cases and I definitely didn't know that Russian had six essential ones. Looking back, I'm glad that I came in blind because I might have been discouraged had I known how difficult the grammar was. Five years later, I realize how important and helpful the case system is.

The Russian republic was established immediately after the Russian Revolution of 1917 and became a union republic in 1922. During the post-World War II era, Russia was a central player in international affairs, locked in a Cold War struggle with the United States. In 1991, following the dissolution of the Soviet Union, Russia joined with several other former Soviet republics to form a loose ...
