Drivers | Motorsport Manager PC Wiki | Fandom

Hey guys and girls, Just curious if any of you knew whether the "improvability" rating of each year's new car is a generic total or part specific? I.E. if I'm not going to improve my engine, shouldn't I just avoid spending more on engine supplier? Here's what I mean: When you design a new car/chassis, you pick parts from different suppliers in 4 categories like engine, gasoline, materials, etc.

Designing Next Season's Car: Does Improvability Matter for ...

team feel yours and how can we build on this?) • Car Performance (What is is your Meta build, do you push for the best engine or like to keep your car balanced?)

Motorsport Manager 2 :: Motorsport Manager General Discussions

The game costs £3.99, but as this is an unofficial game you do not get the real-world names that you will be familiar with. Playsport has got around this with an editing tool as a DLC option. It is comparatively pricey at £6.99, and while it doesn't change anything in terms of gameplay, if you seek authenticity then get this before you dive in.
