Serving homeschooled teens and their parents - Dallas ...

Studies have shown that homeschooled students repeatedly outperform their schooled peers on standardized tests, regardless of a parent's level of formal education. With a little planning, a little cooperation from your teen, (yes, sometimes they actually do cooperate!), and creative record keeping, you'll be packing your homeschooled kids off to college -- or wherever life's path will take them -- before you know it!

Serving Homeschooled Teens And Their Parents

A homeschooled teen can pursue an internship at a local employer (and work during school hours), or spend time concocting culinary masterpieces, or even start a business. Going to a school would not provide them opportunity for such focused effort. 5) There is time to talk. The teen years are a wonderful opportunity to talk with our children.
