become dry and inedible if smoked for a long period of time.

Best Meats to Smoke in Smoker & Best Cuts for Beginners

The cooking process usually lasts for more than 30 minutes a pound, but it can be much longer—there are times when the meat can be in the smoker for up to 20 hours.

Many good, lean cuts of meat would dry out and become inedible after cooking for this long; however, tougher cuts need this length of time to tenderize and become enjoyable to eat.
