Even so, the overall picture was of an ever-increasing flow of young people to urban areas. The role of social housing provision by RSLs in rural areas can be said to be necessary but not sufficient in itself to sustain mixed communities. The provision of social housing often plays only a minor role in relation to people's prospects in the labour market which, in turn, is partly driven by their level of access to the opportunities in and around the larger urban areas.

~~Social housing in rural areas | JRF~~

Provision of social housing in rural areas may be necessary but is not sufficient in itself to sustain mixed communities. Many of the rural areas which have more social housing also tend to have problems linked with

~~Social housing in rural areas (summary)~~

Waiting lists for social housing in rural communities are on the rise which has led countryside campaigners to call for the Chancellor to announce a significant uplift in investment in homes that people can afford to live in. According to CPRE, the countryside charity, the backlog in unmet demand for social housing is continuing to grow year-on-year, with hundreds fewer genuinely affordable houses delivered last year compared to the year before. Over half (58%) of rural local authorities ...

Rural housing. We're supporting housing associations to invest in rural homes and communities, and working with them to increase the number of affordable homes in rural areas. Around 300 of our members own and manage more than 1.7 million homes in village and market towns across the country. There is an urgent need to protect and build more affordable housing in rural areas.

~~National Housing Federation | Rural housing~~

Rural Matters We own around 15,000 social rented homes in rural areas. We also actively work to identify rural areas that need new social and affordable housing. We know this need is often hidden,...

~~The Housing Executive | New Homes in Rural Areas~~

They were originally instituted because of difficulties in building affordable housing in rural areas compared with urban areas. Scotland's housing minister Kevin Stewart acknowledges the issues as a factor in what he accepts has been a slow start to the programme. He tells Social Housing: "No one said this was ever going to be easy or quick. We realise the complexity in building in these areas - and that is why we put in place this additional grant mechanism."

~~Building affordable homes in rural ... | Social Housing~~

Providing affordable housing in rural areas helps: support family and social networks; the well as the sustainability of the local economy; There is is less opportunity for development in rural areas. We use the Rural Exeption site policy to provide affordable housing where there is a local need.
