Northern soul is a music and dance movement that emerged in Northern England and the English Midlands in the late 1960s from the British mod scene, based on a particular style of black American soul music, especially from the mid-1960s, with a heavy beat and fast tempo or American soul music from northern cities such as Detroit, Chicago and others. The northern soul movement generally eschews Motown or Motown-influenced music that has had significant mainstream commercial success. The recordings
