Tactical Emergency Care: Military and Operational Out-of ...  
The Committee for Tactical Emergency Casualty Care (C-TECC) was convened to speed the transition of military medical lessons learned from the battlefield to civilian medical response to high risk situations.

Committee for Tactical Emergency Casualty Care (C-TECC)  
One might assume the extensive training during residency and daily role of managing resuscitations and performing life-saving procedures would prepare the average emergency physician for a medical emergency in the tactical environment. 10 Rather, a different mindset and training is required to perform Tactical Combat Casualty Care (TCCC). TCCC was first introduced by the U.S. military ' s ...
