Don't worry about it. A procedures manual is always evolving, just get started and refine as you go. Try this approach: tell your staff that you're putting together a procedures manual, and how creating the manual will benefit everyone. Give them several weeks or longer to track their responsibilities and send a written document to a shared ...

Your policy and procedure manual defines the rights and obligations of the employee and the employer. The policy manual is a written expression of the rules governing the employer/employee relationship. It is essential, today more than ever, for a company to protect its rights within that relationship by policies that are both fair and legal.
