students touch their part of the body (so, when you show the "head" flashcard get everyone to touch their heads).

Parts of the Body Lesson Plan for ESL Kids Teachers

Teaching a child to read begins at

Download Free Teaching Children Parts Of A Boat

birth with the reinforcement of pre-literacy skills. Nonetheless, most kids will officially learn to read between the ages of 5 and 7. One of the most common ways to teach reading is via the sounding out method in which kids are encouraged to read aloud, pronouncing each letter or group of

Download Free Teaching Children Parts Of A Boat

letters until they recognize the word by sound.

10 Steps for teaching children to read

To teach children age 2-6, try to use visual and tactile aids whenever possible since kids this age learn best when they can process information

Download Free Teaching Children Parts Of A Boat

using multiple senses. For example, you can use pictures and charts for visual aids and physical materials like beads and blocks for tactile aids.
