Arthur Hughes. The main objective of this text is to assist language teachers in writing better tests. The author defines a good test as one that contains validity, reliability, practicality and a positive reaction.

Hughes offers practical and realistic guidance

Download Free Testing For

on how to create a good test. The author pays special attention to the effect of testing on teaching - a test should not only be reliable and valid but should also have a positive effect on teaching.

Arthur hughes testing for language teachers pdf ...

The attitude the author takes toward testing is that a test should focus on one of the four basic skills: speaking, reading, writing, or listening. Grammar and

Download Free Testing For

vocabulary, he claims, are not ends in themselves, but merely components of the four basic skills, so they don't need to be given much emphasis in testing.

Testing For

Hughes

A test was devised
which was based

directly on an analysis
of the English language
needs of first year

undergraduate students,

and 11 Teaching and
testing which included

tasks as similar as

possible to those which
they would have to

perform as

undergraduates (reading

Download Free Testing For

textbook materials,
taking notes during
lectures, and so on).
