The Texas English Language Amendment did not appear on the November 2011 general election ballot in the state of Texas as a legislatively referred constitutional amendment. The measure was pre-filed with the Texas Legislature before the legislative session started in January 2011. The bill, House Joint Resolution 38, would have made English the official language of the state and would also have required government business to be done in English.

Texas English Language Amendment (2011) - Ballotpedia

Texas Languages are as diverse as its citizens! 35.4% of Texas citizens are speakers of a non-English language. Texas is the second largest state in the United States by both area and population (27.5 million). Recent immigrants from other US regions and foreign countries are causing a linguistic shift in Texas.

Official language status Edit. Texas does not have an official language; nevertheless, English (specifically, American English) is the language used for legislation, regulations, executive orders, treaties, education, federal court rulings, and all other official pronouncements. Spanish is also heavily spoken in Texas due to the large number of ethnic Mexicans and other Hispanics (Puerto Ricans, Guatemalans, Colombians, etc.).
