An amusingly funny collection of comic murder mysteries. This set includes two full length murders and two novellas. The first murder mystery involves Dr. Derrick Fuller, who is murdered by one of Annie Graceland's special bakery cupcakes. Annie has no idea who put in the poison. What she does know is that she is 'a little psychic' and unfortunately, can see Derrick. Derrick insists that Annie help him find his murderer, which will be very hard...so few people liked him.

Annie is a baker living in Los Angeles who is empathic ever since a toboggan accident; she also finds that she can see dead people. I was pleasantly surprised by this culinary cozy collection. It includes the first 4 books in the series, although the second one is a novella, thus quite a bit shorter.
