Alex W. Bealer - Wikipedia

I'm still reading this book. The first few chapters are a bit dry, but do set the scene for the rest of the book. I had to laugh when the author said blacksmithing is on the rise.. around here any blacksmithing gear is bought up by yuppies who hang the tools on their wall and call it period art... it means the demand is high, but it doesn't mean the yuppies know which end of the hammer to hold ...
