The Art of Thinking Clearly by Rolf Dobelli - Summary & Note

The Art of Thinking Clearly presents a bunch of anecdotal evidence to support commonly known fallacies in logical thinking. You know that hindsight is 20/20, we cling to our narratives, and think we'll be like the models in makeup ads if only we buy their product, plus a bunch of other semi-obvious ways in which we end up making bad decisions (or poorly rationalized flukes that still turn out okay).

Magical thinking, though specious, is a form of thinking. It is a truth universally acknowledged that Joe Biden is not guilty of thinking of any kind, ergo, Joe Biden is not guilty of magical thinking. Quod erat demonstrandum. But Biden's supporters? Well, that is another matter altogether. There you see a wild efflorescence of magical thinking.
