The Batterer as Parent: Addressing the Impact of Domestic ...

The Batterer as Parent takes the reader inside of homes affected by domestic violence, imparting an understanding of the atmosphere that battering men create for the children who live with them. Bancroft and Silverman show how partner abuse affects each relationship in a family, and explains how children's emotional recovery is inextricably linked to the healing and empowerment of their mothers.

The batterer as a parent. Synergy, 6 (1), 6-8. (Newsletter of the National Council of Juvenile and Family Court Judges) Research on children's exposure to domestic violence has tended to focus primarily on two aspects of their experience: the trauma of witnessing physical assaults against their mother, and the tension produced by living with a high level of conflict between their parents.¹ However, these are just two elements of a much deeper
