romance at times, and the mystery and the stalker scenario were a bit over the top in places, and there were places in the story, especially in the beginning, where scenes were thrown in that just did not make any sense to me.

~~Amazon.com: Customer reviews: The Berkeley Method ...~~

2. Berkeley's critique of materialism in the Principles and Dialogues. In his two great works of metaphysics, Berkeley defends idealism by attacking the materialist alternative. What exactly is the doctrine that he's attacking? Readers should first note that "materialism" is here used to mean "the doctrine that material things exist".

UC Berkeley is the latest institution to build an optical scanning workstation. The scanning machine at Berkeley is the only existing workstation that can accommodate three cylinders at once, which complicates the mechanics of the system, but allows for greater speed and efficiency of digitization.
