The Blackwell handbook of global management: a guide to ...

Our French and German managers find themselves bumping up against the reality of working in the “ brave new world ” of globalization. Despite all the ballyhoo and commotion about new business models, networked organizations, virtual teams, technological advance, and the like, the real work still has to be done in the trenches by managers who must rely on their knowledge and skill to get the ...

Henry W.Lane — The Blackwell  
Handbook of Global Management ...

This is the first handbook to provide an overview of the major research perspectives in cross-cultural management and to look at how they can be applied to real-world situations. The volume is distinctive in bringing together perspectives previously considered independently, placing the work of management experts alongside contributions from leading cross-cultural psychologists, sociologists and economists.
