The City & the City - Wikipedia

The City & the City is not merely a cleverly structured detective novel, it is also a rather profound anthropological analysis. The premise of the book is that the City in question is divided in two by a sort of psychological Iron Curtain, sometimes at the level of individual dwellings.

The City & The City is a wonderful book - it's part detective mystery, part dystopian feature, part Cold War Berlin. It pulls difference genres into a mesh of intrigue and suspense. You'll read the first few chapters getting progressively more confused, until suddenly an image of the City forms in your mind and it all starts to make sense!
