An African Philosophical Approach to Teaching - Course

called African philosophy, and furthermore to communicate that understanding to largely non-African readers. Africa, of course, does not have a single culture that is to be understood. It is a large and diverse and sometimes enigmatic continent with a diversity of cultures. There is not what could be called a

UNDERSTANDING AFRICAN PHILOSOPHY

African philosophy is the philosophical discourse produced by indigenous Africans and their descendants, including African Americans. African philosophers may be found in the various academic fields of philosophy, such as metaphysics, epistemology, moral philosophy, and political philosophy. One particular subject that many African philosophers have written about is that on the subject of freedom and what it means to be free or to experience wholeness. Philosophy in Africa has a rich and varied

African philosophy - Wikipedia

This is a great book. The message that Marcus Garvey brought is clearly conveyed in this nice little book. The focus seems to be the upliftment and education of African Americans, but the philosophy of his teaching is essential for anyone searching for truth. the book is divided into 22 short chapters.
