Economics and patents - Wikipedia

Hardcover The patent (option) will have value to the buyer (owner) only to the extent that the expected price in the future exceeds the opportunity cost of earning just as much in a risk-less alternative. Thus patent rights can be thought of as corresponding to a call option and may be valued correspondingly .

valuation of patents

Hardcover
A key a part of valuing a patent is to
acquire a price of the invention in question.
Since patents are intangible property, it's
usually troublesome to assign a financial
worth to them. The most typical patent-
valuation methodology is the economic-
analysis methodology. The worth of a patent
can vary from zero to billions.
