Encyclopedia of Sports Medicine and Science: Home Page. Encyclopedia of Sports Medicine and Science. Sportscience Homepage. This encyclopedia was originally to be edited by Tom Fahey and published in book form. When publication fell through, the Sportscience team agreed to publish the encyclopedia here. Soon thereafter Tom opted out of the project, and most authors did not want to revise their manuscripts for publication at this site.

Encyclopedia of Sports Medicine and Science

The Encyclopedia of Sports Medicine delivers more than 150 in-depth, A-to-Z entries that define and explain the many fields of specialization within sports medicine while providing broad coverage of the terms relevant to each discipline. Using everyday language, basic descriptions of various sports medicine terms introduce the reader to many important topics and provide an at-home reference that can supplement and accompany the information received from sports medicine professionals.
