Whalers burned them by the thousands, and the population of penguins in the Falklands Islands plummeted until there was a devastating change to their environment in the 1980s; the Falklands War. In 1982 Argentina decided they would like to claim the Falklands Islands once and for all, and being just off the Argentinian shore, you would think this would be an easy feat.

The Falklands War (Spanish: Guerra
de las Malvinas) was a 10-week
undeclared war between Argentina
and the United Kingdom in 1982 over
two British dependent territories in the
South Atlantic: the Falkland Islands
and its territorial dependency, South
Georgia and the South Sandwich
Islands. The result of the war was a
British victory.
