...

Through a lively blend of stories and studies, The Feedback Fix shows them how by presenting a six-part REPAIR plan that spreads feedforward across boardrooms, classrooms, and even dining rooms. Even with drastic changes in how we work and live, the experiences we create for others - joy or fear, growth or decline, success or failure - still hang on the feedback we share.

The Feedback Fix audiobook, by Joe Hirsch... The secret to giving better feedback isn't what we say—it's what others hear. Too often, people hear about a past they can't control, not a future they can. That changes with "feedforward"—a radical approach to sharing feedback that unleashes the performance and potential of...
