Franchising really began to blossom in the post-war 1950s and 1960s. Franchisors of convenience goods and services seemed to be popping up on every corner. McDonald's, Kentucky Fried Chicken,...

History of Franchising: Franchising in the Modern Age

A franchise is a unique kind of business with a very interesting history. The Middle Ages. The Middle Ages, as strange as it sounds, is where the business model of franchising started to appear. The Middle Ages weren't a fabulous time to be a human.

The History of Franchising As We Know It

One of the first successful American franchising operations was started by an enterprising druggist named John S. Pemberton. In 1886, he concocted a beverage comprising sugar, molasses, spices, and cocaine. Pemberton licensed selected people to bottle and sell the drink,

which was an early version of what is now known as Coca-Cola.

Franchising - Wikipedia

Although the business models used by many famous franchises today might seem like modern concepts, the franchise business model is thought to have originated thousands of years ago. In 'Franchising: The How-To Book', Lloyd Tarbuton suggests the first business format franchise was created in China over 2,200 years ago.

Franchising 101: How Franchising Began

Although Martha Matilda Harper is the first official franchisor, many people believe it was Isaac Singer, founder of I.M. Singer & Company, who started the first modern franchise. The sewing machines that Singer produced in the mid-1800s revolutionised the world of clothes production.

History of franchising - Franchise UK

Commercial franchising in the United States began in the Colonies, in Philadelphia, when on Sept. 13, 1731, Benjamin Franklin and Thomas Whitmarsh entered into an agreement "for the carrying on of the Business of Printing in Charlestown in South Carolina."

Commercial franchising originated in the 18 th century London, where the brewery industry used a " tied house system " to create a downstream distribution system for its products. In exchange for financial assistance from the breweries, tavern owners agreed to purchase all of their beer and ale from the sponsoring breweries.

Learn About the History of Franchising

History of Franchising Franchising started with Isaac Singer way back in the 19th century! Mr Singer wanted to distribute his sewing machines outside his geographical area and provide training on how to use the machines, as people wouldn't buy them without training and retailers did not provide this service.

History of Franchising | Approved Franchise Association

Franchise comes from the French verb franchir, meaning "to free," itself from franc meaning "free." Franc is the origin of the English word frank ("marked by free, forthright, and sincere expression"), but it originally referred to the West Germanic tribe of people who lived in what is now France in the early Middle Ages.

The History of 'Franchise' | Merriam-Webster

Call of Duty is a first-person shooter video game franchise published by Activision. Starting out in 2003, it first focused on games set in World War II. Over time, the series has seen games set in the midst of the Cold War, futuristic worlds, and outer space. The games were first developed by Infinity Ward, then also by Treyarch and Sledgehammer Games. ...

Call of Duty - Wikipedia

A decent book on the history of Sports Illustrated. Kind of dry during a lot of parts of the book, but interesting tidbits throughout the book on my favorite magazine growing up. Was cool to read stuff about the Curious Case of Sidd Finch story, including the cool stuff with the subhead and how the story came to fruition.
