A nation state is a state in which a great majority shares the same culture and is conscious of it. The nation state is an ideal in which cultural boundaries match up with political boundaries. According to one definition, "a nation state is a sovereign state of which most of its subjects are united also by factors which defined a nation such as language or common descent."

Nation state - Wikipedia

Treating this pivotal moment as a bridge rather than a break, *The Imperial Nation* offers a sweeping examination of four of these modern powers—Great Britain, France, Spain, and the United States—and asks how, after the great revolutionary cycle in Europe and America, the history of monarchical empires shaped these new nations. Josep Fradera explores this transition, paying particular attention to the relations between imperial centers and their sovereign territories and the constant and ...
