A compilation of stories from many writers, including the late Howard Marks (RIP). This is a mixed bag of tales and writings from different authors and origins on all different types of drugs. Some are brilliant and have you taking note of the author and book (I use my GoodReads app for that) the snippet came from and some I found uncomfortable reading; namely tales

Howard Marks is a value investing genius, with an astounding track record of ~20% p.a. returns for 25+ years. Therefore, I'm happy to read anything he is willing to share. In this book, he shares deeply thoughtful insights, but in a somewhat dry, unengaging and repetitive text. Overall a must read, but don't expect an excellent literary experience.
