Helen McKenna sits down with Marvin Rees, the Mayor of Bristol, to explore his approach to place-based leadership, the NHS's role as a 'place-shaper' and the city's experience of Covid-19. The second wave of Covid-19 offers new as well as ongoing challenges for the health and care system ...

Ideas that change health and care | The King's Fund

During the autumn and winter, you need to get vitamin D from your diet because the sun is not strong enough for the body to make vitamin D. But since it's difficult for people to get enough vitamin D from food alone, everyone (including pregnant and breastfeeding women) should consider taking a daily supplement containing 10 micrograms of vitamin D during the autumn and winter.
