A person who has an antagonistic or unhealthy relationship with authority figures may be described as having an authority problem. In some cases, these people tend to antagonize and resent any authority figure they encounter, regardless of the legitimacy of that person's authority. In other cases, an individual may demonstrate extreme and inappropriate submissiveness in his interactions with authority figures.

### What Is an Authority Problem? (with pictures)

When we say we have issues with authority it means we have difficulty with individuals who wield power over us. This could be our boss, but also someone with higher social status, or anyone who has something we want and the power to withhold it.

### How to deal with authority issues » myShrink

The issue here is not the day of the week. The issue is authority. Whose authority will we fall under—the Bible (John 14:15; Revelation 14:12) or human tradition (Matthew 5:19; Mark 7:9)? The Roman Catholic Church keeps the Ten Commandments as taught by St. Augustine, which are different from those found in the Bible. Catholic Catechism says ...

But this was the whole reason we did this.... You try to find a logical angle for every issue as per your understanding.

### 20 Signs That You Have Issues With Authority - Infornicle

For most contemporary theorists to say that the state has authority in the descriptive sense is to say that the state maintains public order and that it issues commands and makes rules that are generally obeyed by subjects because many of them (or some important subset of them such as the officials of the state) think of it as having authority in the normative sense (Hart 1961) (Some thinkers have understood the idea of legitimate authority in this descriptive sense as well (Weber 1970); in ...

### Authority (Stanford Encyclopedia of Philosophy)

Power and authority issues are nothing but trouble, and actually, they cause more than just a bad night's sleep. They corrupt our relationships, our societies, and our governments. The greater the issues people have around power, the more likely they are to abuse power, act out, pass on victim tendencies to their children, and otherwise re-act poorly to situations.

### How to Resolve Power and Authority Issues

Oppositional defiant disorder (ODD) is listed in the DSM-5 under Disruptive, impulse-control, and conduct disorders and defined as "a pattern of angry/irritable mood, argumentative/defiant behavior, or vindictiveness" in children and adolescents. Unlike children with conduct disorder (CD), children with oppositional defiant disorder are not aggressive towards people or animals, do not destroy ...

### **How to know the 'Place of Issue' of US, UK, Australia ...**

When Democrats use this argument for their own ends, Republicans will bitterly regret that Pai embraced this dangerously broad conception of the FCC's authority. The overwhelming consensus among commenters was clear: Congress didn't intend for the FCC to issue rules and any rules the agency might issue will be given no deference by courts.
