First published in 1993 as a short article, in 1999 it was expanded and joined with another essay, "The Idea of Public Reason Revisited" to form a full-length book. Rawls's basic distinction in international politics is that his preferred emphasis on a society of peoples is separate from the more conventional discussion of international politics as based upon relationships between states. It is an attempt to

The Law of Peoples - Wikipedia

The Law of Peoples extends the idea of a social contract to the Society of Peoples and lays out the general principles that can and should be accepted by both liberal and non-liberal societies as the standard for regulating their behavior toward one another. In particular, it draws a crucial distinction between basic human rights and the rights of each citizen of a liberal constitutional democracy.

The Law of Peoples With the Idea of Public Reason -

"The Law of Peoples" forges principle from excuses of intellectual snobbery and self-righteousness. Help those who can be helped, and stop those who cannot stop themselves. This is the Grand Escalante of political philosophy applied to international relations, and essential reading for any serious student of political theory.

The Law of Peoples with The Idea of Public Reason -

Now, in an effort to turn realpolitik on its big, bald head, Rawls in The Law of Peoples proposes to extend his historicist, pragmatic notions of justice to the larger world of 'peoples'--the term he prefers to 'nations.' He lays out a series of general principles--among them, that peoples are free and independent, should honor human rights, and should observe a duty of nonintervention--that can and should be accepted as a standard for regulating their behavior toward one another.

The Law of Peoples - Amazon.co.uk: Rawls, John -

The Law of Peoples extends the idea of a social contract to the Society of Peoples and lays out the general principles that can and should be accepted by both liberal and non-liberal societies as...

The Law of Peoples With the Idea of Public Reason -

On the one hand, the Law of Peoples -- so deduced from an original position -- authorizes military intervention to protect human rights in states that are neither decent nor liberal, but whose conduct brands them as outlaws within the society of nations.

The Law of Peoples - Wikiquote

This book consists of two parts: "The Law of Peoples," a major reworking of a much shorter article by the same name published in 1993, and the essay "The Idea of Public Reason Revisited," first published in 1997. Taken together, they are the culmination of more than fifty years of reflection on liberalism and on some of the most pressing problems of our times by John Rawls.

The Law of Peoples - John Rawls | Harvard University Press

38 John Rawls The Law of Peoples a society need not be liberal. It also indicates the role of human rights as part of a reasonable law of peoples. 1. How a Social Contract Doctrine Is Universal in Its Reach 1. Every society must have a conception of how it is related to other societies and of how it is to conduct itself towards them. It lives with them

The Law of Peoples - JSTOR

The law of peoples provides the conceptual tools with reference to which the law of nations (or international law) can be judged. This is the distinction between the law of peoples and the law of nations.

The Law of Peoples by John Rawls - A Summary - Classless -

In The Law of Peoples, he attempts a parallel feat for global society. He tries to spell out a Law of Peoples that both liberal and non-liberal peoples can agree upon to govern their international relations. This involves steering a judicious mid-course between liberalism's imperialist and isolationist tendencies...

The Law of Peoples With The Idea of Public Reason -

1. By the "Law of Peoples" I mean a particular political conception of right and justice that applies to the principles and norms of interna-tional law and practice. I shall use the term "Society of Peoples" to mean all those peoples who follow the ideals and principles of the Law of Peoples in their mutual relations.

THE LAW OF PEOPLES

Young people and the law. Includes legal rights, youth offending teams and crime prevention. Your rights and the law. Includes being arrested, cautions, discrimination and consumer rights.

The Law of Peoples by John Rawls | Waterstones

Rawls continued to rework justice as fairness throughout his life, restating the theory in Political Liberalism (1993), The Law of Peoples (1999), and Justice as Fairness (2001). Those interested in the evolution of justice as fairness from 1971 onwards should consult Freeman (2007) and Weithman (2011).
