Sovereign immunity, or crown immunity, is a legal doctrine whereby a sovereign or state cannot commit a legal wrong and is immune to civil suit or criminal prosecution, strictly speaking in modern texts in its own courts. A similar, stronger rule as regards foreign courts is named state immunity. In its older sense, sovereign immunity is the original forebear of state immunity based on the classical concept of sovereignty in the sense that a sovereign could not be subjected without his or her ap

~~The Modern Law of Sovereign Immunity – Wiley Online Library~~

It is a long-standing rule of international law that one sovereign State does not have authority over another sovereign State and that all States are equals. This underlies the concept of sovereign immunity. Sovereign immunity in international law makes one State's property immune from interference by another State in two ways: jurisdictional immunity, which limits the adjudicatory power of national courts against a foreign State, and enforcement immunity, which limits the taking of or ...

~~Sovereign immunity in the United States - Wikipedia~~

Sovereign immunity is a type of immunity that in common law jurisdictions traces its origins from early English law. Generally speaking it is the doctrine that the sovereign or state cannot commit a legal wrong and is immune from civil suit or criminal prosecution; hence the saying, the king (or queen) can do no wrong.

~~Sovereign immunity | The IT Law Wiki | Fandom~~

The legal doctrine of sovereign immunity provides a ruling government body with the option to choose immunity from civil lawsuits or criminal prosecution. This means no person can sue the government without having the government's consent to do so. This holdover concept from British common law kept the King immune from any charges of wrongdoing.
