An informative and enlightening novel about the existence and misuse of the Magdalene laundries. Magdalene laundries were used as a rehabilitation tactic for girls that 'have fallen' or that have been lead down the wrong path in life. The crimes that could land a woman in these laundries are numerous, including, prostitution and unwed mothers.

Kathy O'Beirne's earliest memories are of being battered and sexually abused. Unable to confide in anyone about the beatings she regularly received from her father or about the boys who made her play dirty games, she became withdrawn and self-destructive, leading a psychiatrist to diagnose her as 'a child with a troublesome mind'.
