The Magic Half

The Magic Half, by Annie Barrows, is a story of an eleven year old girl whose name is Miri. When Miri finds a mysterious piece of glass taped to her wall, she looks into it and her whole time changes - literally. Miri finds herself transported back in time to 1935 to a girl (Molly) who believes Miri is a fairy and came to save her!

The Magic Half (Miri and Molly #1) by Annie Barrows

¶Miri has a few problems: - She's the middle child, stuck between two sets of twins. - She's been sent to her room for smacking one of her brothers over the head with a shovel. - Her room has the ugliest wallpaper in the world. But when Miri sees a little piece of glass

¶The Magic Half on Apple Books

THE MAGIC HALF is a rewarding read with clever turns, well-developed characters, and neatly drawn-out suspense. Readers who enjoy history and problem-solving will enjoy the trips back to the Depression, the hunt for buried stolen treasure, Miri's attempts to piece together the logic of time travel, and the conundrum of thinking about time as both in the present and past.

The Magic Half Book Review - Common Sense Media

The Magic Half is about Miri who's family is rather big, but she still feels alone. There are 2 sets of twins Robbie and Ray who are older than Miri, Nell and Nora, and Miri the middle child without a twin. All alone without a twin to hang with, but soon all that changes. Magic happens and Miri is sent back in time to save a girl from her evil aunt and cousin. Molly and Miri are the same age and have some pretty similar things about them. Miri brings Molly back to the Gill family to be her ...
