The fictional character and the main antagonist on the American ABC television series *Lost* is most frequently referred to as The Man in Black. He appeared primarily as a cloud of black smoke until the final episode of season five where he appeared as a middle-aged man dressed in black. In season six, he primarily appeared in the physical form of John Locke. He exhibited the ability to "scan" the minds and memories of others, allowing him to confront characters such as Mr. Eko and Ben Linus, with

An ideal introduction to the great man's music for the newcomer and handy compilation for those like me who have the original albums on Sun, CBS and Mercury. How assertive and in good voice Johnny sounds on these famous tracks compared to the awful last Rick Rubin stuff (with the exception of the excellent Vol. 2) where he weakly and pathetically croaks his way through the songs, sadly due to ...
