Lost in Space is an American science fiction television series, created and produced by Irwin Allen, which originally aired between 1965 and 1968. The series was inspired by the 1812 novel The Swiss Family Robinson and a comic book published by Gold Key Comics titled Space Family Robinson. The series follows the adventures of the Robinsons, a pioneering family of space colonists who struggle ...

[Lost in Space - Wikipedia](#)

The problem of "lost space," or the inadequate use of space, afflicts most urban centers today. The automobile, the effects of the Modern Movement in architectural design, urban-renewal and zoning policies, the dominance of private over public interests, as well as changes in land use in the inner city have resulted in the loss of values and meanings that were traditionally associated with urban open space.
