The Mind That Is Catholic* The "Catholic mind" seeks to recognize a consistent and coherent relation between the solid things of reason and the definite facts of revelation. Its thought aims to understand how they belong together in a fruitful manner, each profiting from the other, each being what it is. The Catholic mind is not a confusion of disparate sources.

The Mind That Is Catholic - CUA Press
Catholicism knows that all sorts and sources of knowledge flow into its mind, one of which — the primary one that makes it unique — is revelation. But it is a revelation, in its own terms, addressed to active reason. That too is the mind that is Catholic. ZENIT: One notable writer has claimed that philosophy is consummated in the liturgy.
