Using Small Wins to Ignite Joy, Engagement, and Creativity at Work.

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives – consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues.

Teresa Amabile's Progress Principle

The Progress Theory was developed by Teresa Amabile and Steven Kramer. They determined that achieving consistent, small wins was the biggest indicator of a rich inner work life. This rich inner work life, in turn, enables people to be more productive, more engaged, and more creative in the work that they do.

Amabile and Kramer's Progress Theory:
