The Road to Hell

focuses primarily on the disingenuous efforts by Save The Children in Somalia in the early 1990s. While interesting and by no means flattering to Save, it must be understood that much of the information comes from a disillusioned employee.

Dear Michael Pearl,

there ' s one thing I ' d

like to briefly mention:  
anything God loves, his  
enemy will twist and  
pervert. God gave sex to  
humanity as a gift. His  
first command was to be  
fruitful and multiply.  
That has nothing to do  
with strawberries or  
algebra. One way Satan  
twists that beautiful gift  
is through pornography.
