The Sadness Behind The Smile
There is an absolute sadness behind my smile though, almost at all times. There is a very true saying- A mother is only as happy as her saddest child. Some days are better than others. When a child is dealing with cancer care (or any serious illness), painful side effects, constant fear of cancer recurrence or other medical issues, missing out ...

A Mother ' s Confession – The Sadness Behind the Smile ...
When depression smiles ... We tend to think that the depressed person can ' t lead a normal life but remains in bed and can ' t get to work, has an easy weeping and shuffling when walking, assuming a stooped posture denoting sadness. However, this image is a simple clich é , every person is different and deals with depression differently. In fact, did you know that approximately 71% of those suffering of depression try to hide it?

Smiling Depression: When sadness hides behind a smile
The hallmark of smiling depression is sadness. The smile and external fa ç ade is a defense mechanism, an attempt to hide their true feelings. A person could be experiencing sadness about a failed...
