pipeline - BBC Bitesize Assessment

The school to prison pipeline is a term coined early in the early twenty-first century to refer to the policies and practices that directly and indirectly push students out of school and on a pathway to prison. These policies and practices include overuse of harsh school disciplinary procedures including suspension, seclusion, restraint, and expulsion; increased policing and surveillance that create prison-like environments in schools; referrals to law enforcement and the juvenile justice ...

dismantling the school-to-prison pipeline

If we are not careful, we are building a school-to-prison pipeline. What happened to inclusion? But perhaps the saddest element of this short-sighted exclusion fix is that it delivers a message across the whole school that will not easily be forgotten by pupils, staff, SLT or the community: our disabled children are problems, not to be supported, but to be removed.

'Exclusions build a school-to-prison pipeline' | Tes News
Derecka: The school to prison pipeline exists when students are thrust into contact with law enforcement or the criminal legal system in schools, primarily
