In The Shark and The Goldfish, bestselling author Jon Gordon shares an inspiring fable about a goldfish who has always been fed, a nice shark who teaches him to find food and a wave of change that brings them together. In the process of finding food the Shark teaches the Goldfish the ultimate lesson—that the difference between a full belly and an empty stomach depends solely on your faith, beliefs, and actions.

Jon Gordon :: The Shark and the Goldfish

Gordy the goldfish is thrust in the ocean after living a comfortable life in the fishbowl. He meets a shark who helps him not only acquire food but also lessons on how to survive change. Sure its not some elaborate, chart filled, Ivy league researched book detailing 15 steps to survive change. Its about a goldfish and a shark..and I loved it!

The Shark and the Goldfish: Positive Ways to Thrive During ...

The story follows a small goldfish that has been released into the ocean and for the first time must survive on his own. In other words, the goldfish is going through the ultimate life change. He immediately meets a shark that teaches him not only how to eat for the first day, but how to adjust to living in the ocean.

Book Review: The Shark and the Goldfish - Not Suitable for ...

The Shark and The Goldfish is a personal development book presented as a children's story. It's about a goldfish named Gordy that one day finds himself in the ocean. After a while he befriends a shark named Sammy. I don't want to give too much away about the story though.

The Shark and the Goldfish: Positive Ways to Thrive During ...

I chose "The Shark And The Goldfish" by Jon Gordon for my book report. This book is about positive ways to thrive during waves of change and follows a goldfish named Gordy who washes out into the ocean. Gordy has always been taken care of and fed daily, but doesn't know how to act or get food when he is in the ocean.

The Shark And The Goldfish Essay | StudyHippo.com

Embracing our waves of challenge and change is all about how we perceive and respond to the events we face. In The Shark and the Goldfish I share the positive success formula. E + P = O. We can't always control the (E) vents in our life but we can control our (P)ositive response to these events and this often determines the (O)utcome.

Are you a Shark or a Goldfish? - Jon Gordon

The goldfish is lost in the great big sea compared to his little fishbowl, and does not know how to survive. Luckily for him a shark shows him how to be more like a shark and less like a goldfish. The sharks instructions are both essential for his survival, and the tool that will help him thrive in the new environment.
