The Spirit Level: Why Greater Equality Makes Societies ...

Although research dating back more than 40 years has suggested that social problems are related to levels of inequality, The Spirit Level: Why Greater Equality Makes Societies Stronger has synthesized the state of knowledge in this area into one compelling book.

The Spirit Level: Why Greater Equality Makes Societies ...

Despite sounding like a B-grade supernatural fantasy thriller, The Spirit Level is a non-fiction work that aggregates scientific evidence on societal equality. In a nutshell the point is: More equal societies do better, especially on outcomes that show hierarchical effects.

The Spirit Level: Why More Equal Societies Almost Always ... ..

The Spirit Level: Why More Equal Societies Almost Always Do Better was published in 2009. Written by Kate Pickett and Richard Wilkinson, the book highlights the "pernicious effects that inequality has on societies: eroding trust, increasing anxiety and illness, (and) encouraging excessive consumption". It shows that for each of eleven different health and social problems: physical health, mental health, drug abuse, education, imprisonment, obesity, social mobility, trust and community life, ...

The Spirit Level | The Equality Trust

The Spirit Level – Why more equal societies almost always do better – Richard Wilkinson and Kate Pickett This book is relevant to both the module on Crime and Deviance and Theory Methods Based on thirty years of research – Its findings are that almost every modern social and environmental problem is moire likely to occur in a less equal society (where the difference between rich and poor ...

The Spirit Level – A Summary – ReviseSociology

The Spirit Level does not simply provide a diagnosis of our ills, but provides invaluable instruction in shifting the balance from self-interested consumerism to a friendlier, more collaborative society. It shows a way out of the social and environmental problems which beset us, and opens up a major new approach to improving the real quality of life, not just for the poor but for everyone.

The Spirit Level: Why Greater Equality Makes Societies ...

The Spirit Level, based on thirty years of research, takes this truth a step further. One common factor links the healthiest and happiest societies: the degree of equality among their members. Further, more unequal societies are bad for everyone within them-the rich and middle class as well as the poor.

The Spirit Level: Why Greater Equality Makes Societies ...

The Spirit Level: Why Greater Equality Makes Societies Stronger (Kindle edition, location 674) Not only do large inequalities produce all the problems associated with social differences and the divisive class prejudices which go with them, but, as later chapters show, it also weakens community life, reduces trust, and increases violence

Read: The Spirit Level: Why Greater Equality Makes ...

The great achievement of The Spirit Level is documenting that this inequality-induced anxiety has so many bad effects. It makes humans feel stressed and deprived and more likely to get depressed, smoke, overeat, or engage in violent behavior.

The Spirit Level: Why Greater Equality Makes Societies ...

The unexpected success of The Spirit Level owes more to luck than judgment. Although serious non-fiction books rarely sell well, for a week or so we even outsold Jeremy Clarkson. We now feel a bit ...
