The Flute is a Sword in Genshin Impact. Swords are light and are usually held with one hand, it is a balanced weapon that is capable of inflicting light and fast attacks and a decent amount of damage. Not all playable characters can equip a sword, but instead, only certain characters specialize in using the weapon in battle.

The Sword and the Flute: Kali and Krsna- Dark Visions of ...

A nimble sword with holes and delicate engravings on the blade. The sword once made the sound of a flute when wielded by one with the requisite skill. The pitch and tone were determined by the swinging angle. This sword was buried when the Wanderer's Troupe disbanded. Unearthed years later, it has long since lost its ability to sing.

The Black Sword is a classy looking, lethal weapon. This sword stands at number 5 position on the sword tier list in Genshin Impact. The description for the Black Sword reads, “ A pitch-black longsword that thirsts for violence and conflict. It is said that this weapon can cause its user to become drunk on the red wine of slaughter. ”
