"American culture is caught in a tension between the celebration of waste as conspicuous consumption and the abhorrence of waste, lingering from our Puritan foundation. Little suggests that American culture tries to resolve this tension through prudent 'waste management' transforming and recycling where possible, or casting out the polluted other that cannot be integrated within the culture.

Local authorities: seizing vehicles for suspected waste ...

Clonic seizures. Clonic seizures cause the body to shake and jerk like a tonic-clonic seizure, but you do not go stiff at the start. They typically last a few minutes and you might lose consciousness. Tonic seizures. Tonic seizures cause all your muscles to suddenly become stiff, like the first stage of a tonic-clonic seizure.
