Summary ...~~

In *The Wild Trees*, Richard Preston unfolds the spellbinding story of these young voyagers, who risk everything to explore the redwood canopy, where the massive trees form flying buttresses and cathedral-like structures in the air. They find a vertical Eden of hanging gardens and rare creatures, an untouched paradise where it's possible to stretch hammocks between tree branches and make love 300 feet in the air.

The Wild Trees: A Story of Passion and Daring is a daring, brilliant book that crafts an enthralling tale out of one of the quirkiest of topics. It is the tale of men and women who spend days on end climbing trees more than 35 stories off the ground, of ancient, majestic beings destroyed before humanity could even fathom the gigantic ecosystem that sits up in the sky.
