Live Myths episode 2: the coming of the sun-god (Lugh) and the story of the Children of Tuireann **The Wounded Storyteller Body Illness**

In *At the Will of the Body*, Arthur Frank told the story of his own illnesses, heart attack and cancer. That book ended by describing the existence of a "remission society," whose members all live with some form of illness or disability. The Wounded Storyteller is their collective portrait.

The Wounded Storyteller: Body, Illness, and Ethics: Amazon ...

Since it was first published in 1995, *The Wounded Storyteller* has occupied a unique place in the body of work on illness. Both the collective portrait of a so-called "remission society" of those who suffer from some type of illness or disability and a cogent analysis of their stories within a larger framework of narrative theory, Arthur W. Frank's book has reached a large and diverse readership including the ill, medical professionals, and scholars of literary theory.

The Wounded Storyteller: Body, Illness, and Ethics ...

In *At the Will of the Body: Reflections on Illness*, Arthur Frank gave a moving account of his own troubles. Now, in *The Wounded Storyteller* he writes of the need (obligation, really) for sick persons to tell their stories in order to clarify their own illnesses. For Frank, the wounded healer and the wounded storyteller often turn out to be the same person; the tales of sickness give it meaning and create "empathic bonds" between the teller and listener (or reader).
