Thermal Dynamics Pak 10xr Plasma Cutter

Thermal Dynamics creates the most advanced automated plasma equipment on the market. Our cutting solutions are designed to give you superior performance – and to help you keep more money in your pocket.

Find out why Thermal Dynamics is a smart choice for you...

As a result of some correspondence with a friend, I have also learned that the old plasma cutters of yesteryear (such as this one) also used COMPRESSED GASES instead of compressed air. So, NOW the "burning question" is:

Thermal Dynamics 10XR "Arc Pac" -- It's an oldie... but is...

It seems somebody else donated a sleeker, newer plasma cutter to them. Now that the thing is back to haunt me, I need to figure out what to do with it. So here I am, asking for your collective wisdom.
